

ENGLISH LANGUAGE ASSESSMENT FOR ORGANISATIONS

Linguaskill is a quick and convenient online test from Cambridge Assessment English to help organisations check the English levels of individuals and groups of candidates. It tests all four language skills: speaking, writing, reading and listening.

It's fast and accurate, and can be easily administered and invigilated at your own venue at a time that suits you.

The Linguaskill test is modular. This gives you choice about the skills you want to assess.

The Reading and Listening module is adaptive: questions become easier or more difficult depending on an individual's previous answer.

There are also two test options, Business and General, so that you can test the type of English best suited for your organisation.
